Notify the Borough's Public Works Department (724-238-9852) when forms are set to grade and reinforcing is set in place, but at least 24 hours prior to placing concrete. Placement of concrete without Borough Inspection and sign off may result in revocation of this Permit and require removal of the work. Also, periodic inspection may be performed. Inspection responsibility is limited to permit compliance. Contractor's performance remains the property owner's responsibility. Public Works to sign-off below.
