**Unfinished Business:**

**Award bid for Hazel Alley Stormwater Project**

Engineer Jason Mash thanked Council for holding the special meeting. Mash reviewed of all the bids to see if all requirements were met. The winning bid was from **Quigley Development** with a bid of \$167,369.

Solicitor Mark Sorice commented on the difference of approximately \$30,000 between the lowest bid and second and third bid. Sorice questioned what the difference was attributed to.

Jason Mash felt that the mobilization fee (getting equipment to the job site) is what really set the bid prices apart.

Engineer Jason Mash feels comfortable with recommending to accept Quigley Development's bid.
