

# FRIENDSHIP PARK SPORTS COMPLEX

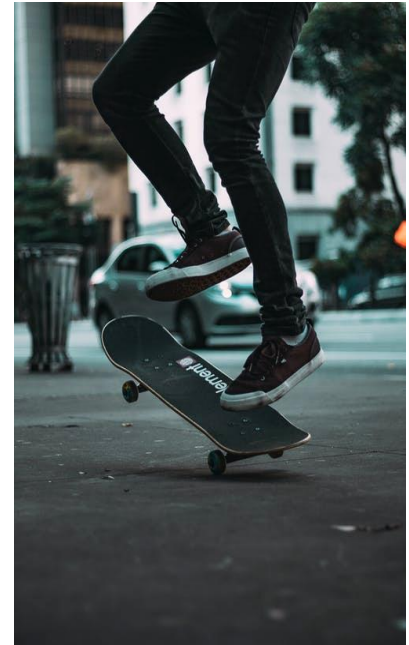

The Borough of Ligonier is excited to announce the launch of the Friendship Park Sports Complex!

This project will renovate and modernize the existing space between our current Friendship Park and the baseball fields located near N. Fairfield Street and Bouquet Street.

The renovations and upgrades are intended to better serve a broader segment of our community, including older children and those with disabilities. The project will complement the existing play structures with additional outdoor activities for young children, teens, and adults alike.

The park will include:

- Updated Tennis Courts
- Updated Basketball Courts
- Two Pickleball Courts
- A Bike and Skate Park, with Pump Track
- Upgraded Pavilion and Shade Structures
- Water Bottle Filler
- ADA-Compliant Restroom Facilities

Ligonier Borough Parks & Recreation Committee is seeking public support in raising funds for this project. We appreciate any and all support the community can give towards enhancing our community with this lovely space.

Please click this link to donate via Credit Card and select “Friendship Park Donation” from the drop down window that appears.
